CONSOLATION BRACKET

Tournament will begin in a regular season format spread over four (4) conferences. Each conference will have ten (10) teams vying for the playoffs. Only four (4) teams from each conference will qualify for the playoffs resulting in six (6) teams being eliminated.

Top two (2) teams from each conference will advance to the "winners" playoff bracket. Next two (2) top teams from each conference will advance to the "consolation" playoff bracket.

In the case of a tie breaker during the regular season, point margin of defeat will determine top teams.
